

**16-17 April 2026**  
**La Hulpe, Brussels**

# SAVE THE DATE

Complimentary, invitation-only event, with  
attendance strictly limited to Europe's  
leading corporate treasurers and CFOs

The **EACT Summit** is an exclusive thought leadership and networking event, providing a group of 250 leading European Treasurers with the opportunity to think away from the noise, benchmark best practices and shape the future of Treasury.

Since 2017 this event has been recognised as a great opportunity to discuss topical issues and challenges amongst peers, in a relaxed and secluded setting.

The success of the Summit is due to its non-commercial atmosphere, the diversity of participants and the efficient use of time for attendees.

Delegates are individually selected by each of the 25 member associations that comprise EACT. They are either senior treasury professionals or future leaders of treasury.

Participants are typically Group Treasurers, Finance Directors, CFOs, and Heads of Cash and Risk Management.

Attendance at the conference is free, courtesy of the EACT, However please note that delegates are required to cover the cost of their accommodation and travel. Both the conference and accommodation will take place at the Dolce Hotel and can be booked directly on the event registration website (details will be provided by your NTA).

| EACT Summit 2026     |  | USP   |
